Tournament Rules and details available upon request...standard poker rules will apply to all tournaments. Payouts will adhere to the Illinois charitable games act. Players must be 18 years of age and a legal U.S. resident to participate in the tournament. The tournament director has the final determination in any aspect of the game which includes player conduct, participation, and or removal from a tournament. The hosting charity will keep between 20-30% of the entry for their fundraising and required state taxes. The remaining balance will be put into the prize pool. No more than 15% of the prize pool will be used for promotions including high hand promotions, bounties, or last longer promotions. The charity reserves the right to award donated promotional prizes as part of the tournament in the form of high hand promotions, bounties, or even as part of the final prizes. The tournament dates, structures, and details are subject to change pending state approval and or verification. Pre paid entries into any tournament are non refundable but are transferable. You must contact the tournament organizer for details on how to transfer your entry to another player. Additional levels may be added or subtracted at the discretion of the tournament director. All Illinois charitable games act rules must be honored by the players participating. For more information or to pre register and pre pay for your tournament entry, please call Kirk at **708-935-2861** or send an email to at April2013CharityPokerEvent@yahoo.com
